

RIVIERA BEACH 5* - RIVIERA

In Riviera Holiday Club, each hotel has its own atmosphere and role. If Imperial Hotel is the living history of the complex, Oasis Hotel is like its beautiful pier, Lotos Hotel is the energy charging flower, Nympha Hotel is the romantic surprise, then Riviera Beach Hotel gathers a little bit of all these and adds a modern and innovative spirit to the resort.

The hotel is like a universe within the universe. It has almost 50% of the bedding capacity in the resort and offers services to both important business events and relaxation.

In June, 2002 was opened the first building, and the second one was opened in May, 2004. Riviera Beach Hotel has a total of 290 rooms, suites and maisonettes – each with a balcony and with a sea view. The rooms are cool in the summer and warm in winter.

The general appearance of the hotel resembles two arches which open to a picaresque exterior:

There are 2 outdoor mineral water swimming pools, a pool bar, a mini children's club surrounded by flowers and greenery, and a fish restaurant near the beach. The hotel offers: one indoor swimming pool, 2 lobby bars- one in each building, 3 restaurants with specialties from the Bulgarian and international cuisine, and a night club. All restaurants are suitable for big parties and business events. In the summer evenings we organize entertainment programs for our guests. Public and private children parties can be held in the nursery and the outdoor children club.

The SPA & Wellness Center of Riviera Beach Hotel offers programs in general balneology and according to the most modern world trends. It also offers mud healing therapies.

The hotel also offers: a hairdresser's, a steam bath, a gym with unique panorama. You can combine tennis and water sports such as windsurfing, water skiing, etc.

What adds to the five-star services of Riviera Beach Hotel is the modern and multi-functional **congress center** - with internet and with a special arrangement of the rooms, and offering thematic catering, care for accompanying persons, etc.
